

**VORATRON EG 711** Additive**Description**

VORATRON™ EG 711 Additive is a moisture scavenger paste based on castor oil and molecular sieve powder. It is suitable as an intermediate raw material for elastomeric spray coatings, electrical polyurethane potting compounds, or in 1 component moisture cure.

The unique blending process used to manufacture VORATRON™ EG 711 Additive offers end consumers added robustness in applications of spray or where humidity can potentially cause foaming. Recommended dosage is 2-10% depending on application. The color is opaque off-white.

**Typical
Component
Properties**

	Units	Values	Test Method
Appearance	-	Opaque off-white	-
Specific Gravity (20C)		1.24	ASTM D891
Hydroxyl Value	meq/KOH	86-90	ASTM D 5155
Viscosity, 25 °C	cPs	5000-6000	ASTM D 4889

These are typical values and should not be construed as specifications.

**Handling and
Storage**

	Units	Limits
Storage temperature	°C	15-25
Storage stability / Shelf life ⁽¹⁾	months	9

1. Stored at the recommended temperature in unopened, sealed containers.

**Product
Stewardship**

The Dow Chemical Company and its subsidiaries ("Dow") has a fundamental concern for all who make, distribute, and use its products, and for the environment in which we live. This concern is the basis for our Product Stewardship philosophy by which we assess the safety, health, and environmental information on our products and then take appropriate steps to protect employee and public health and our environment. The success of our Product Stewardship program rests with each and every individual involved with Dow products — from the initial concept and research, to manufacture, use, sale, disposal, and recycle of each product.

**Safety
Considerations**

Material Safety Data (MSD) sheets are available from The Dow Chemical Company. MSD sheets are provided to help customers satisfy their own handling, safety and disposal needs and those that may be required by locally applicable health and safety regulations. MSD sheets are updated regularly, therefore, please request and review the most current MSD sheet before handling or using any product. These are available from the nearest Dow sales office.

Customer Notice

Dow encourages its customers to review their application of Dow products from the standpoint of human health and environmental quality. To help ensure that Dow products are not used in ways for which they were not intended or tested, Dow personnel will assist customers in dealing with ecological and products safety. Your Dow sales representative can arrange the proper contacts.
